Help the School Band

1 The school band is planning its annual trip to band camp during
2 summer break. And we need money to go. It would really help the
3 band if everybody would support it.

4 The camp was out of state last year. We have to rent a bus, and
5 stay over night in a motel on the way to camp. We had fun. There
6 is a competition on the last day of camp. We want to do good in the
7 competition this year.

8 Two years ago the band needed money to buy new uniforms. But
9 the uniforms still look good, so we don't have to replace them right
10 now.

11 Everybody is really excited about camp. The band members
12 practice really hard. They deserve to go on this trip.

13 So help the band. Buy treats at the bake sale buy buttons and
14 banners in the basketball games.
